## A BIKE-FRIENDLY DOWNTOWN

Downtown plays an important role in a larger effort to enhance cycling culture in the City of Dayton, selected as a Bicycle Friendly Community by the League of American Bicyclists.

Dayton was awarded a bronze-level status for its efforts to help make the city more bicycle friendly through such initiatives as the addition of bike lanes and these amenities:

## METROPARKS BIKE HUB

RiverScape's Bike Hub features bike lockers, showers, and restrooms, and is situated at the center of a 70-mile regional bikeway system. Membership is designed for commuters, but such public amenities as bike parking and rentals, coin-op lockers, and restrooms are available for recreational cyclists.

237 E. Monument Ave. .... 277-4374

## RIVERSCAPE RENTALS

RiverScape's rental concession is open Saturdays and Sundays from Memorial Day weekend through Labor Day weekend. A variety of bicycles are available, as well as a host of child accessories and rentals.

237 E. Monument Ave. .... 278-2607

## BIKE PARKING

In addition to bike parking offered during many downtown events, you'll find nearly 100 permanent bike racks throughout downtown for daily use.

## BIKE TRAILS

Downtown's bike-friendly streets connect to the nation's largest network of paved, off-street bike trails. The trails link downtown to neighborhoods, natural areas, and other attractions throughout the region.

Learn more at [miamivalleytrails.org](http://miamivalleytrails.org).

## LINK: DAYTON BIKE SHARE

Link, Dayton's bike sharing program, features more than 200 bikes at 26 strategically located stations, all within an approximate two-mile radius of downtown Dayton. Customers unlock the bikes and ride to any other station or back to the original location at the end of their trip. # LOOKING FOR OFFICE SPACE?

The Downtown Dayton Partnership's *free and confidential* **SITE SEEKER** program is a valuable tool for potential and established businesses and commercial brokers.

Whether you're looking for a start-up location, interested in moving your existing business, or even expanding, we make the search for downtown commercial space an easy process.

The DDP works with brokers or directly with business prospects to match their needs with available downtown space.

If you would like to investigate the opportunities downtown for a commercial space, please contact Scott Murphy at 937-224-1518 ext. 223, or [murphy@downtowndayton.org](mailto:murphy@downtowndayton.org).
