1	What occurred on 8/4/19 was tragic and sad, but the need for a permanent memorial escapes me. The mural on the side of Blind Bob's delivers a nice message, and it is there because of what happened on 8/4/19. I see too many memorials erected and not cared for and maintained, which is an affront to those who are being remembered. Let the district move on.	7/17/2021 6:41 PM
2	Thank you for the survey, and not forgetting the event.	7/1/2021 9:15 PM
3	Thank you for doing this and getting community input	7/1/2021 7:23 PM
4	Responsibility of parents, schools and mental health doctors not to take saying I'm going to kill people and rape women lightly....Conner Betts was a murderer in high school and they all knew it...I'm pissed off	6/30/2021 6:23 PM
5	A memorial is important for the city, the community, the fallen, the survivors and all who helped and saved lives.	6/30/2021 4:55 PM
6	Many locals I know do not wish to be reminded of that night every single day. Many are hard pressed to discuss the matter with inquisitive visitors. A small, facts-based memorial (map, timeline names) should be located in a spot amenable to curious guests and avoidable by regulars. This one horrible event should not become a defining factor in the identity of the Oregon District.	6/29/2021 6:43 PM
7	None	6/27/2021 1:02 PM
8	Thank you for getting input from others.	6/25/2021 7:05 PM
9	I've worked designing memorials in the past and they are very tricky to implement inside a business district. There are often unintended consequences that I hope the team can identify and reflect on prior to implementing a project. Happy to offer insights based on my experience with similar projects in other cities.	6/23/2021 11:30 AM
10	Please don't make this a place for selfies and prom pictures. People often use the current Dayton Strong heart between Ned's and Hole for this and it's extremely upsetting to witness. I feel like the people taking pictures are completely uncaring about the reason that the heart is there. It's just a backdrop for their Instagram, not a place where people died and a community was gutted. They're ignoring the weeks and months and years we're spending working to be ok again and how everyday we're back living and working in the face of tragedy. So please, not a place for engagement, prom, wedding, senior photos.	6/22/2021 5:02 PM
11	Don't fuck it up by being self serving to people who weren't directly effected	6/22/2021 4:47 PM
12	I think the intention is good. But to me, most people who were there don't like talking about it. And every time it comes up the trauma is excavated. People who weren't there have already moved on to the next tragedy or important topic.especially in an area where people are drunk and have little Couth to begin with. I think the people who passed should be honored in someway but I don't think a memorial is it.	6/22/2021 4:42 PM
13	Don't want a constant reminder of that night, only to serve for tourists from centerville and Beavercreek to ship themselves in to snap photos standing next to it and have MORE people ask us to recount the events for them	6/22/2021 4:40 PM
14	n/a	6/22/2021 4:22 PM
15	thank you for asking us	6/22/2021 10:34 AM
16	Should not be to flashy or attention getting. A giant crowd would be bad for driving (on fifth) through the district. Or it should be spread out, IE the path of the shooter (beginning to ending) so, that the gravity of the delusional mind is understood.	6/22/2021 10:24 AM
17	We need to think beyond the traditional, physical monument. The Committee should consider an interactive or multimedia work of art that engages and causes people to meditate on the horrors of gun violence and gun safety solutions.	6/21/2021 10:53 PM
18	Just want to express my appreciation that people are taking the time to do a memorial.	6/21/2021 5:46 PM

8/4 Memorial Survey Preliminary Results

19	The memorial should be a pleasant place to sit and reflect, not anything that looks like a cemetery or a protest statement. Something low key that blends into the surroundings would be best. Maybe a small garden area with a bench?	6/21/2021 3:45 PM
20	N/A	6/21/2021 2:13 PM
21	N/A	6/21/2021 1:45 PM
22	In my mind I've imagined hanging lights over all the sidewalks on Fifth St.	6/21/2021 1:02 PM
23	Some type of green space with benches would be ideal	6/21/2021 12:56 PM
24	I think it is most important that the memorial recognize the people who lost their lives that night, as well as acknowledge survivors and first responders.	6/21/2021 12:23 PM
25	Any memorial should be a remembrance of the lives lost and a thank you to the first responders	6/21/2021 12:13 PM
26	Thank you for doing this.	6/21/2021 12:06 PM
27	The shooting was a symptom of so many currents in our culture that demand our deep reflection and, I would add, conversion of heart: our pervasive fear (especially if the Other), our addiction to guns and violence, our grossly inadequate approach to mental health and addiction issues. I would love to see something that remembers and honors those killed and those traumatized by 8/4, but also invites us to that conversion of heart with respect to the issues which underlay that event.	6/21/2021 11:54 AM
28	Honor the fallen. Don't try to make a political statement.	6/21/2021 11:49 AM
29	If names are used, I would highly suggest using Jordan Coffey, not Megan Betts. That was their preferred name.	6/21/2021 11:43 AM
30	Do individual life memorials at cemeteries. Avoid politics and political positions/statements, such as regarding gun control. But, reinforcement of the universal "values" and "principles" of non-violence, community resilience and love/support one another as each and every one of us encounter deaths, tragedies and challenges along life's journey.	6/21/2021 11:39 AM
31	I had 30 of my wedding guests out that night after our reception ended. What was a wonderful night of fun at my wedding turned into what felt like a battlefield for so many of my friends.	6/21/2021 11:37 AM
